

# Columbia Heights Preschool

**December 2023**

## Winter Weather

Please remember to dress your child appropriately for the chilly weather. We will be going outside as much as possible. Students must wear sneakers/ tennis shoes (that correctly fit their feet) to go to the playground and Muscle Room.

When SWCS closes for Inclement Weather, Columbia Heights Preschool will also be closed. You will receive a text alert and updates will be posted on our Social Media accounts.

## Arrival Times

Our Preschool door automatically locks at 9:10. PLEASE make sure you are inside the doors before they lock. We can not guarantee there will be anyone to let you in if you arrive late. Late arrivals interrupt teaching times, social play, class jobs etc. We appreciate you being here as close to 9:00 as possible.

## Conferences

Conference sign up sheets will be posted outside classroom doors on Dec. 11<sup>th</sup>. All conferences will be held by phone and will be called from a private number.

## Absences/ Illness

Please call or email the Preschool office if your child will not be at school. If they are diagnosed with an illness, please let us know ASAP.

We are required to let other families know if their child has possibly been exposed to a Communicable Disease.

Please read the attached Health & Safety Communicable Disease Policy.
